NOW ACCEPTING ENROLLMENT FOR FALL 2012!

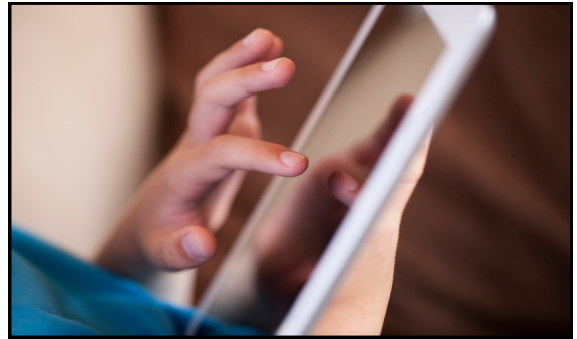

**I SAID... The Corcoran School
Is coming to Williston!**

Classroom Technology

The Corcoran School is the most high-tech preschool in the country! We offer robotic web cameras for classroom viewing. iMacs and iPads with age appropriate educational software in every preschool classroom. A dedicated iMac and Mathematics lab. Electronic Mimio smart boards. Personal-PIN touch screen building access and a robust internet-based self-service portal for parents.

Exclusive Curriculum

Studies show that children in primary grades who attended a quality preschool have a social, emotional and intellectual edge over children who didn't. The Corcoran School's exclusive curriculum is based in a philosophy which encapsulates the fundamental principals of Montessori, Reggio Emilia and NAEYC. Specifically, our philosophy is rooted in the development of social competence, child directed play, exploration and intrinsically directed learning. You can be confident that your child will be well prepared to move on to the primary grades.

Approved Kindergarten

Unlike other private kindergarten programs, our Kindergarten will be approved through the North Dakota Department of Public Instruction and must meet strict standards for teacher credentials, curriculum, and learning assessments.

Parent-Controlled Web Cameras

We are the only centers in the nation with fully "robotic", parent-controlled web cams-complete with pan, tilt, and even super zoom. Watch your child in his classroom like never before.

Nutritious Meals

Breakfast, lunch, two snacks, and even dinner will be included in your tuition. And we will not be serving typical daycare food! All meals are prepared by on-site using only healthy ingredients. Dinners will also be available for parent take-out!

Exclusive Enrichments

Sign language beginning at infancy and Spanish foreign language instruction for all ages. On-site dance, karate, music lessons, private tutoring and MORE! (note: extracurriculars are optional)

More Services for Parents

Open from 6:30am to 7:30pm Monday through Friday. Fresh Coffee each morning for busy parents. And coming this Fall—"Parents' Night Out" childcare until midnight every other Friday and freshly prepared take-home meals for families!

All Lead Teachers Degreed

The Corcoran School sets a standard of hiring experienced lead teachers with a 4-year bachelor's degree or higher.

Now Enrolling for Fall 2012
